Non-Lifting of Samples of Tikki in Tilak Bihar

2650. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to refer to answer to Starred Question 5 given in the Rajya Sabha on the 19th July, 1989 and state:

(a) whether it is a fact that no responsibility has been fixed either on the Local Health Authorities or on Food Inspectors of the Department of Prevention of Food Adulteration, Delhi, for not lifting the samples of tikki and cooking medium prior to the incident of food poisoning took place;

(b) whether Government propose to direct the Department of Prevention of Food Adulteration, Delhi to demarcate the area and fix responsibility of Local Health Authorities and Food Inspectors, in the capital, zone-wise, to avoid recrurrence of food poisoning incidents; and

(c) if so, by when and if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RAFIQUE ALAM): (a) The Inspectors appointed by MCD and Enforcement Staff of Department of PFA, Delhi Administration have been keeping watch on sale of food articles exposed to dust and flies. In this case no sample of Tikki and cooking medium could be lifted before the incident of food poisoning on 13th June, 1989 as the same was sold by an itinerant vendor on a rehari in weekly market. Delhi Administration is of the view that no responsibility can be rightly attributed on the local health authority or the Food Inspector.

(b) and (c) The Department of Prevention of Food Adulteration, Delhi Administration does not find it feasible to demarcate the Union Territory of Delhi in various zones with the existing set-up.
